Madde	Ölçüt	Puan
	Content: gives three relevant tips with short reasons that are different from Elif's.	8
	Organisation: follows the structure (understanding – First, Second, Third – closing wish).	6
	Language: uses imperatives / should and stress words correctly; about 70–80 words.	6

Örnek cevap: Hi Ömer, don't worry – many students feel anxious before their first exams. Here are my three tips. First, put your phone in another room while you study, so you can concentrate better. Second, study for 25 minutes and then take a five-minute break. Third, sleep at least eight hours, because a tired brain can't remember well. You can do it. Good luck!

Sık hatalar: Elif'in önerilerini aynen tekrar etmek; Sıralama sözcüklerini kullanmamak; Kapanış dileği yazmamak
