	Content: states a clear preference and gives at least two relevant reasons.	5
	Content: supports the reasons with an example.	2
	Organisation: has a topic sentence, reasons in order with linking words and a conclusion.	4
	Language: uses comparatives and house/neighbourhood words correctly; about 80–90 words.	4

Örnek cevap: I prefer living in a detached house in the countryside. Firstly, it is quieter and cleaner than a flat in the city, so people can sleep well and feel relaxed. Secondly, a detached house usually has a garden. For example, my grandparents grow tomatoes and have a few chickens, and I love helping them in summer. Of course, the city is closer to shops and schools, but buses and cars can solve this problem. In short, the countryside is a healthier place to live.
