Örnek cevap: Hi Anna,

Our school has a lot of extracurricular activities. There is a robotics club on Mondays and a theatre club on Wednesday afternoons. Students can also play volleyball or join the environment club on Fridays. I am in the robotics club. We meet in the IT room after lessons, and this year we are building a small robot for a competition. I like it because I learn new things and work with my friends.

What about your school?

Best,

Burak
